...A TIME TO DIE AND A TIME TO BE BORN...

As a young preacher, I thought I had all the answers, but now as I have reached the “Sunset Years” of my life, I realize, I do not have all the questions. It was a relief to me, when I learned I did not have to answer all the questions. While I do not claim to understand everything in the bible, I do accept it as Truth. One such passage is: **Ecclesiastes 3:1-8** *“To everything there is a season, A time for every purpose under heaven: A time to be born, And a time to die; A time to plant, And a time to pluck what is planted; A time to kill, And a time to heal; A time to break down, And a time to build up; A time to weep, And a time to laugh; A time to mourn, And a time to dance; A time to cast away stones, And a time to gather stones; A time to embrace, And a time to refrain from embracing; A time to gain, And a time to lose; A time to keep, And a time to throw away; A time to tear, And a time to sew; A time to keep silence, And a time to speak; A time to love, And a time to hate; A time of war, And a time of peace.”* (NKJV)

In looking back over the past 100 volumes of this publication, I notice there are more deaths than births published. However, we know there are more people born each year than die. The last time I checked there were 131.4 million births per year and 55.3 million deaths each year. Of course, common sense tells us if it were the other way, we would cease to have existence. Somehow, the obituaries are easier to find when searching the “net”. Or maybe, it is because I have not been paying enough attention. Whatever the reason may be, I am going to try to change that a bit. I would like to have more marriage and birth announcements.

However, I need your help!!! In fact, I want to hear from you. Send me email at leroydedmon@gmail.com. Tell me what is happening in your family. I used to get an email almost every day from some family member. Now, I rarely hear from any of you. I think Facebook has replaced the emails and messages we used to send back and forth. Also, some of those who corresponded regularly have deceased. I miss Floyd Dedmon, Danny McBee and Riley Deadmond. They kept me informed of family activity. Some of it may be my fault, (as a Dedmon you know how difficult that statement was) as I have become lax on sending emails as I once did....

A QUARTER OF A CENTURY

I remember Saturday, November 23, 1991 as if it were yesterday... The day we officially opened GWEN'S FAMILY RESTAURANT, in Buchanan, GA. It began as a three way partnership. A friend of mine and myself put up the initial required deposits, (electric, gas, water) and the rent on the building for the first month. Gwen was the manager and included as the third partner. In March of 1992, Gwen bought the friends portion of the business. There was a time when we operated the concessions at the nearby city park at Lake Seabreeze and also a convenience store in Bremen. (Breakfast biscuits, snack lunches, etc.) We were getting ready to open another restaurant in Bremen, but I moved to Woodstock about that time and we decided it would not be a good idea. However, one of our cooks did in fact open the one in Bremen. I think it is now closed.

We were open on Sunday for a couple of years, but that proved to be a hardship on everyone. Those who attended church would rush to the restaurant to help with the rush, as everyone showed up at once. Although the gross intake was rather large on Sunday, Gwen decided it was not worth all the effort. At first we just rented the building and equipment, but later, Gwen purchased it. Maintenance and upkeep on such property does not come cheap. Gwen stuck it out for almost 25 years and is to be commended for a job well done.

Gwen has been in the food business since she was 14 years old. One of our church members in Springfield, TN owned a restaurant and Gwen was a waitress there for a while. Another one of our members owned the local Dairy Queen and she was introduced to the "fast food" business. By the time she was 16 McDonalds opened a restaurant in Springfield and Gwen was one of the first employees. In fact, they had to go to a nearby town to train prior to the opening of the one in Springfield. She also worked in grocery stores and convenient markets either cooking or cashiering.

When she moved to Bremen in 1986, she got a job at Ingles as a cashier, but soon met a lady who was a cook at Henderson's in Bremen and got her a job there. It was there that she began to build a following and when she opened the restaurant in Buchanan, many of her "regulars" followed her. Several of her customers to this very day were at Hendersons.

I remember an elderly gentleman, I think his name was Ned, who determined to be our first customer. As it happened just as we opened the door that morning someone just passing through town stopped and got a sausage biscuit and coffee to go. He was there only a few minutes and was gone when Ned arrived. We always let Ned believe he was our first customer. He was our first "sit down" customer and his dollar hung on the wall 25 years.

No matter many times we say thank you, it will not be enough for all the loyal customers and employees. Here are a few comments off face book, I omitted the names, you can find them if you wish.

I spent a lot of time here with my mom and maw maw growing up. They always wanted to eat the blooming onion. I hate that yall are closing..it's definitely a link to my past!

I hate that our little town is losing you! We've always received great food and service there.

Hands-down the very best double-decker Club Sandwich anywhere. AND great chicken livers! And country-fried steak. Gwen's is very hard to beat. And the serving staff are always very friendly and helpful, and always make it a pleasure to be there!

Some of the best food ever!!! I love to eat with them and some of the best waiters, Thanks Mrs. Goodman and all the rest for the great service over the years!!!

Gwen's is the number one thing I've craved during this pregnancy! Their Chicken and Dressing is AMAZING! Everyone is so kind and outgoing! Thank you for being amazing Gwen's!

Tuesday and Thursday almost every week we have dinner here. NEVER disappointed! Always great food and awesome service!

So sad , but I hope that there are bigger and better things in your future. Buchanan won't be the same without Gwen's.

*Well I got my last Friday morning bag of Friday biscuits for my customers at Silvey this morning, (been doing that for years) about to go up there now and eat all the catfish you can eat!!! And then I will be up in the early morning around the liars table for one more pile of Bull***t... Thanks Gwen for all the years*

I will miss it, but thank you for 1) the opportunity to work for you part time with people I love and 2) for the place I met many new friends and made memories. Much love to you!

Gwen, I'm sure it is bittersweet. But I hope you enjoy your retirement. I love your whole family. I thank Aunt Ruth for allowing us to tag along when we were kids to Mr and Mrs Dedmons to visit. Congratulations!!!

BREAKFAST WITH SANTA

BREAKFAST WITH SANTA STARTING NOV 28... KIDS UNDER 10 EAT BREAKFAST FREE WITH SANTA.... CALL AND MAKE YOUR RESERVATION TODAY!!!!...

For several years "Santa" made an appearance to visit with the kids. That tradition began back when I had my beard. However, after I shaved we continued with the "fake" beard. Pitchured above is my great granddaughter, Makayla and her friend Jake. When we first started we made pictures and sold them, but after the advent of the smart phones, folk began taking their own pictures.

Even the family and employees got into the pictures as is seen in the collage. The last picture is the one me and Jane used for a long time to wish everyone a Merry Christmas. To say the least it was a lot of fun.

WELCOME TO THE FAMILY

As I mentioned on page one, I am trying to include more births in our newsletter as we can watch our family grow. I need you to help me with this as it is more difficult to find than obituaries for some reason. Send pictures and announcements of births and also weddings to me at: leroydedmon@gmail.com

Norah Grace McCune
b. July 25, 2015

Nora Grace is the great granddaughter of Tommy Gilbert and Ann McCall Gilbert. Tommy is my first cousin and growing up was almost like a brother. In fact for a period of time he and his sister Frances lived with us. Ann was my wife's best friend in High School. They were the first couple I married and although they are now divorced, Ann is still family. I sometimes introduce Ann, "As the first woman I married". She says I shouldn't say it that way as it sounds like we were married. Surely no one would take it that way.

Norah Grace is the daughter of Tyler and Janet McCune and the grand daughter of John and Cathy Gilbert McCune. Cathy is the daughter of Tommy and Ann Gilbert. Norah Grace descends from Hannah Dedmon and David McArthur Dickson. Tommy Gilbert's mother was my mother's sister and Hannah Dedmon was their great grandmother. I know what you are thinking, and you are correct, my mom was related to the Dedmons. Her and dad were 4th or 5th cousins. "Hit dudn't seam two effect there chillen"...

Adah Elizabeth Dedmon
1/16/16, 6 lbs 14 oz

Lyssa Marie Teeter
March 5 2015, 4 lb 4 oz

Lyssa is the daughter of Jim and Tabitha Nelson Teeter. She is the great great granddaughter of Leon and Eva Buckius Dedmon. Her parents are, Russel Nelson, Sr. and Holly Dedmon. Lyssa's great grandparents are Johnny and Helen Dedmon. Johnny passed away on March 21, 1998 after 43 years of marriage to Helen. In addition to Holly, Johnny and Helen had six other children, for a total of seven, three boys and four girls. The boys are Johnny, Chip and Scott. The girls are Candy, Penny, Holly and Sherrie. They descend through John Dedmon and Susan Hunt.

Adah's mother, Cassandra Jo Dedmon, is the daughter of Wayne Dedmon and grand-daughter of Jack Cleave Dedmon. Little Adah is kin to me four different ways, according to Family Tree Maker. Multi kinship is due to the marriage of cousins back down the line, which happens often in the Dedmon family ancestry.

Elsie Dolive
b. 11/30/2015, 7 lbs 13 oz

Elsie is the daughter of Kelly Williams and Justin Dolive. Kelly's parents, Mark and Paula Williams connect on both sides of the family. Mark connects to the Williams, Capehart and Dedmon families and Paula connects to the Williams and other family members up the line. Paula served as one of the secretaries at the church in Woodstock, when I was the preacher there, and Mark served as one of the elders. We did not know then that our families were connected. That information came to light with a conversation with Mark's brother, Tony, a couple of years ago.

TOT FOUND WITH PAPER TOWELS STUFFED IN MOUTH DIES

HOUSTON -- An 11-month-old boy whose babysitter stuffed his mouth with paper towels to stop his crying was taken off artificial support systems Saturday and allowed to die, officials said. JoAnne and Michael Dedman held a news conference Saturday afternoon to say they had allowed their son, Hunter, to be removed from a respirator, and he died at 9:15 a.m. The couple said they made the decision after doctors at Hermann Hospital told them Hunter was brain-dead.

Delia Hernandez, 27, a neighbor who had been babysitting the child while his parents were out of town, initially told authorities the tot put the paper towels into his own mouth, Harris County Sheriff's detectives said. Investigators said she later confessed she stuffed the baby's mouth to stop his crying.

'It would be impossible for a child to wad up the towels and put them that far down the throat,' Lt. Rickie Williams said. 'After questioning, she confessed to putting the towels in his mouth to stop the child from crying.' The parents said they had hired Hernandez to take care of Hunter several times in the past, with no problems. 'We lived next door to them for two years. We trusted her,' Michael Dedman said. 'Parents should be careful of who they leave their children with,' JoAnne Dedman said at the afternoon news conference at the hospital.

Police were called after an ambulance was summoned to Hernandez' rural home Wednesday evening. Williams said the towels were blocking the boy's airway, that he had stopped breathing and had no vital signs. Hernandez was arrested and charged with injury to a child. She was freed on \$10,000 bond. It was not immediately known whether she could face additional charges in light of the boy's death.

An autopsy was to be performed on the child's body. Michael Dedman said Hunter was left in the babysitter's care because he was away on business and his wife was vacationing with a friend. He said he phoned home periodically and Hernandez assured him the child was well. 'I was just sure he was in the best of care,' JoAnne Dedman said. 'She literally insisted them about their son's condition until his second day in the hospital, and then seemed indifferent and never went to the hospital.'

BABY DIES AFTER SITTER PUTS PAPER IN TODDLER'S MOUTH

HOUSTON — An 11-month-old boy died Saturday, three days after his baby sitter stuffed paper towels into the baby's mouth to smother his crying. The infant, Hunter Dedman, died shortly after doctors removed life-support equipment because he was brain dead, hospital officials said. Hunter's parents, JoAnne and Michael Dedman, said they did not want their only son to suffer. "We just know our baby is in heaven," JoAnne Dedman said at the hospital. The baby sitter, Dalia Hernandez, 27, was released Friday from the Harris County jail on a \$10,000 bond. She was charged with injury to a child.

This is not the kind of news we like to report but nevertheless it is news taken from public records..

Baby Fairest of the Fair Pageants

For whatever reason, John Dedmon/Dedman and Susanna Hunt moved from North Carolina to the Middle Tennessee in the early 1800s. Many of them settled around Smith, Dekalb and Warren County, Tennessee. Their descendents spelled the surname several different ways, the most prominent being: Dedmon, Dedman, Deadman, and Deadmon. We know now that the varied spelling makes no difference in kinship. As noted in the above article, some of the Dedmon family still lives in Smith County. There is a Dedman Cemetery in the nearby DeKalb County. I knew the Deadman family in Manchester, Tennessee, who owned the Deadman Funeral Home.
